SCHEDULE “A”

TRADE GROUP PARTICIPATION & COLLECTIVE BARGAINING AUTHORIZATION BY APPLICANT EMPLOYER

The applicant must fulfill two conditions of this application. Firstly, the applicant must be an employer of unionized employees. Secondly, the applicant employer must be certified by a building trade union or have given voluntary recognition to a building trade union.

Any applicant employer meeting the two conditions set forth above shall make an “X” beside each trade from which that employer employs unionized employees and for which the CLRA will act in collective bargaining on behalf of the applicant as a sole operator/owner, or firm or corporation which is applying for membership.

The applicant specifically does not recognize any other trade unions other than those marked with an “X” and the applicant's membership in the CLRA is thereby limited in this manner.
